EC Design-Examination Certificate

Certificate No.:
10066-2017-CE-RGC-NA-PS-D

Project No.:
PRJC-73456-2008-PRC-CHN

Valid Until:
02 March 2021

Jurisdiction

Application of Council Directive 93/42/EEC of 14 June 1993, adopted as "Forskrift for Medisinsk Utstyr" by the Norwegian Ministry of Health and Care Services.

Certificate history:

Revision	Description	Issue Date
0.0	Replace the certificate 7925-2016-CE-RGC-NA-D (NB 0434) following the transfer of Notified Body functions to DNV GL NEMKO Presafe AS (NB 2460) issued	2017-11-06

Products covered by this Certificate:

Type of medical device and identification no.: Medical Cross-linked Sodium Hyaluronate Gel - Soft Tissue Filler	Medical Device Class: III	GMDN code:
Short description of the Medical Device: Medical cross-linked sodium hyaluronate gel has been widely used as soft tissue filler. It can be used for the treatment of HIV-associated facial lipoatrophy, scarring, wrinkle and lip correction, surgical or traumatic skull defects, facial asymmetry such as lip asymmetry after surgical correction of cleft lip and eyelid malpositions. It is a unique stabilized hyaluronic acid of non animal origin. Sterilization method: The syringe containing the product is sterilized by moist heat. The needle is sterilized by ethylene oxide.		

Terms and conditions

The certificate is subject to the following terms and conditions:

- Any producer (see 2001/95/EC for a precise definition) is liable for damage caused by a defect in his product(s), in accordance with directive 85/374/EEC, as amended, concerning liability of defective products.
- The certificate is only valid for the products and/or manufacturing premises listed above.
- The Manufacturer shall inform Presafe of any intended change of the products detailed above and Presafe will assess the changes and decide if the certificate remains valid.

The following may render this Certificate invalid:

- Changes in the design of the products to which this Certificate refers.
- Changes in requirements of the scheme to which this Certificate refers.

Conformity declaration and marking of product

This Certificate must be accompanied with a valid EC Certificate Full Quality Assurance System.

When meeting with the terms and conditions above, the producer may draw up an EC declaration of conformity and legally affix the CE mark followed by the Notified Body identification number of Presafe.
